

HOPE Covenant Youth Scholarship Application

Youth Ministry events at Hope Covenant church are designed to be inclusive. There are occasions when events carry a significant cost, and financial assistance can be helpful. Our desire is that all youth have the opportunity to participate fully without lack of funds being a determining factor for engaging in opportunities. As we do not have a scholarship "fund" which support is drawn from, our ability to offer a scholarship is contingent on the number of requests and available money.

Who is eligible to receive a scholarship?

- Youth who are "active" in youth ministries at Hope Covenant.
- If necessary, priority will be given to youth who are members of the church or whose parents are members of the church.
- Any youth requiring financial assistance to attend an event (retreat, mission trip, camp, etc.)

Criteria for awarding scholarships:

- Scholarships are awarded on the basis of need and the current level of activity of the applicant in youth ministry of the life of the church. Completing this application does not guarantee receiving assistance or the amount requested.
- The scholarship request must be turned in **2 days before** the registration deadline of the event.
- A separate application for each event per student must be submitted
- Parents must endorse the applicant's participation in the event & need for financial assistance
- The **deposit** for all trips **must be paid by applicant** for a scholarship to be considered. Due at the time the scholarship application is submitted.
