Students & Parents,

Summer Encounter 2021 is ALMOST HERE! It seems that with each passing year Summer Encounter gets better and better. Here at Calvary Youth, we believe this generation longs for an authentic encounter with God. We long to create a place where students can have fun, build authentic relationships, as well as have life transforming encounters with God. That’s what Summer Encounter 2021 is all about. We are absolutely committed to raising a generation that fully commits themselves to Seeking God’s Face, Hosting God’s Presence, and Obeying God’s Voice. This is our heart’s cry!

We truly believe that Summer Encounter 2021 will be a year like no other. We believe this year that God is going to do more than encounter this generation, we believe that He is going to equip this generation. It is with this in mind that we have chosen the theme entitled “Living the Dream”. We here at Calvary Youth believe that the Dream of God is to have an Earth that mirrors Heaven. We believe that His desire is for His kingdom to come to Earth through us, but by His Spirit. We believe that as we partner with Him, the Earth will be filled with the knowledge of His Glory! That’s what Summer Encounter 2021 is all about. Learning to live out His dream...an Earth that looks like Heaven.

From my heart to yours, thank you! Thank you for believing in this generation. Thank you for investing into their lives. We know that Summer Encounter has been nothing short of life-changing for so many and we fully believe that this year will be just the same. We’re so

SUMMER ENCOUNTER 2021

Living The Dream

LICE POLICY:

Due to very close living conditions, major disruptions occur when there is a health problem. Lice are nearly impossible to treat in close living conditions such as camp. If a student is found to have lice, we will have to ask that they be picked up from camp, treated, and be nit free for 24-hours before returning to camp. It is recommended that these situations be monitored before leaving for camp. Summer Encounter will have complete checks before registration takes place. Please help us avoid embarrassing situations of having to either not admit or send a camper home.

MEDICATION / SPECIAL MEDICAL REQUESTS:

Please be sure to fully complete the *Summer Encounter Camper Medication Form* on which you must list all medications your child will be bringing and any special needs the First Aid Director should be made aware of. *This form is to be placed in a Ziploc bag with the medications and submitted to the First Aid Director on the first day of camp.*

ROOMS:

All students will be assigned to a room with accompanying chaperone before arriving on the campgrounds. Under no circumstances will any student be allowed to change rooms at any point. We do not spend time in the rooms during camp other than to sleep, so we expect full cooperation when it comes to rooming arrangements.

NON-CAMPER POLICY:

Summer Encounter is a **CLOSED** camp. All camp activities including evening services are open ONLY to registered campers and staff. Any child, student or adult violating this policy will be asked to leave the grounds by Summer Encounter staff.
