Photo / Video Release Information

The Baptist State Convention of Michigan regularly takes photos and shoots film and video on the Bambi Lake campus as a means to gather materials for promotional and production purposes. Accordingly, during the course of your stay, you and any of your guests may be photographed, filmed or videoed while participating in any of the campus events or enjoying any of the campus features. Therefore, every guest of the Retreat and Conference Center, by visiting the campus, acknowledges and agrees that these photos, films and videos may be taken and used in the Baptist State Convention of Michigan's products and promotional materials. For campers, a signed release is available. Please make your leaders aware if you do not want your child in any photos or video.

Camp Director, Camp Health Officer, and Lifeguard

- There will be a Camp Director on campus during the week. Any emergencies, changes in your group, problems, etc. will be reported to the Camp Director as soon as possible.
- A camp health officer will be on duty for emergencies and to dispense medication.
- A lifeguard will be available for all water activities. Michigan state law requires that all campers take a swim test before any water activities are done. All campers must have a colored tag.

The Executive Board of the Baptist State Convention of Michigan has established the following policies for Bambi Lake.

1. No one is to leave Bambi unless the Bambi Lake Conference Center Director gives permission. Calls and visitors are discouraged. (Because Bambi is always crowded during Camp week, Bambi staff has asked that no family, friends or visitors "drop in.")
2. Bambi is a Christian camp. Decent dress code is in order. Girls should especially be reminded that no midriffs, low cut dresses (front or back) or strapless dresses of any kind should be worn at Bambi.
3. Camp Counselors will be responsible to maintain curfew. No one is permitted to leave Bambi at night. Late night carousing is not permitted.
4. Room occupants will pay for damage done to rooms or the church will be billed. Participants failing to obey camp rules will be removed from camp.
