Kreek Kids is a Partnership Ministry

We LOVE that we run on the combined efforts of parents, AC3er's, ministry staff & other key volunteers serving together. If you are a parent who calls AC3 home and have attended 6 months or more, we have a spot for you! We look forward to partnering with you and your family as we serve, learn and grow on our spiritual journey together at AC3!

“That the generation to come might know...that they might set their hope in God.” Psalm 78:6-7 (ASV)

Partnerships Matter: A unique opportunity for both parent and child.

It is our goal to find fun and practical ways to help foster spiritual growth among AC3 families. One of the ways we will do this is by partnering with parents in the spiritual education of their children while encouraging parents in their own faith journey. We will work hard to build positive partnerships between your home and church. **LIKE us on Facebook! @AC3KreekKids**

Parent partners make it work. The success and value of any cooperative effort depends on the active support of both parties involved. Parents + Kreek Kids leaders can make a positive impact.

How do parents participate? We encourage parents, who call AC3 home, to serve side-by-side with us (co-op style) either in a classroom, our nursery, at our check-in desk, or by playing a supporting role 'behind-the-scenes' completing simple tasks and prepping projects. We are committed to keeping in mind everyone's passions, talents and time available as we want everyone serving in a way that best fits their God-given giftedness in our ministry.

Our most important partnership position need is to ensure adequate staffing in our classrooms, nursery and toddler areas during weekend services.

What is the suggested time commitment for parent partners? If you are a visiting family at AC3 and have attended less than six months, children's ministry is our gift to you! After six months and when your children are regularly involved in our programs, we look forward to checking in over coffee and finding ways to partner with you in your child's faith development.
