

Lisa J. Sfameni is an ordained minister, speaker, and singer. For 33 years, she has co-pastored Victory Church in Providence with her husband, Richard. Lisa has traveled domestically and internationally to Amsterdam, Israel, Kenya, Burundi, and Liberia to minister to pastors' wives, ministry leaders, and women of all ages. She has recorded four gospel music CDs. Lisa is the founder and host of the Women of Judah Conference, now in its 13th year, and Judah Conference Liberia, now in its 3rd year. Lisa and her husband have been to Israel several times and plan to continue taking teams to help others develop a love for the Holy Land. She firmly believes in the supernatural power of praise, worship, and prayer, and she continues to see God working in her own life and family as she applies these powerful principles. She has personally experienced the sustaining power of God in her life through discouragement, anxiety, disappointment and loss. Lisa loves to mentor women and see them walk in all that God has ordained for their lives. Richard and Lisa have two adult children, Philip and Hannah; a daughter-in-law, Shawna; and two pretty amazing grandchildren, Kaia and Ezra.

Desiree Barboza is an anointed worship leader with the sweet touch of the Holy Spirit upon her life. She has been attending Victory Church since she was a child. Her love for worship began at a young age, and she has served on the worship team since she was a teenager. Desiree acquired her Doctor of Pharmacy (PharmD) in 2019 from the University of New England in Portland, Maine. Following graduation, she pursued a one-year residency at a hospital in South Florida. Desiree works at Women and Infants Hospital in Providence as a Staff Pharmacist. During a difficult season in her life, she experienced how just one worship song can change one's perspective, fill them with hope, and change the course of an individual's life. Since moving back to Rhode Island, Desiree rejoined the worship team and is now a worship leader at Victory Church. This will be her fourth year ministering as part of the Women of Judah Worship Team. We are excited that this year, she will be leading the Women of Judah Worship Team! Desiree is looking forward to seeing God set women free through worship and His Word.

In Exodus 14:14, God tells us, "The Lord will fight for you; you need only be still." He doesn't mean for us to sit back and do nothing. He wants us to worship and praise our way through the battles as we allow Him to fight them for us. He has already given us the victory! If it concerns you, it concerns God and He wants to get the glory for your breakthrough! He has so much in store for YOU!

Don't Miss This Conference! God wants to help you find the freedom to worship Him in the middle of your battle - no matter how intense it may be! God is GREATER and He has something just for YOU at the Women of Judah Conference! Every year, we see God move in such powerful ways and we receive so many testimonies of ladies receiving just what was needed in their lives at that time! We have a great conference planned for you and can't wait to see you! Invite someone who has never attended this conference!
